

THE BEAUMONT INN YELLOW PHASE DINING OUTSIDE GUIDELINES
(Based on the State of Pennsylvania May 27, 2020 restrictions and guidelines for restaurants)

- Reservations or call ahead seating is required. Walk Ins are prohibited. Please call and request your preferred time to dine outside.
- Ordering via phone or electronic means is required. Weekly menus will be released on Mondays for outdoor dining pre orders. Please call and place your order between the hours of 12-4pm Tuesday – Sunday. Your pre order and payment must be placed by 12pm the day of your reservation or your reservation will be canceled. Please note, in the event of rain, your dinner will be packed for TO-GO and ready at your reservation time for curbside pick-up.
- Masks are required for your arrival and departure. Once you are seated, it is your choice. Please plan on entering through the main entrance for patio dining or through the pavilion path for pavilion dining. Both located at the front main entrance. Signage will be posted to help you along.
- A host will greet you and take you to your table. Once seated, we will take your drink order and then serve your pre-ordered food using the normal cycle of service - first course, main, dessert, once your drinks have been delivered.
- Tables will be spaced a minimum of 6-8 feet apart. With all of our green lawns and stone terraces, there is space to spread out.
- Our open air pavilion will be another dining room available and can be requested.
- Members of only 2 households and 10 total people may be seated at the same table. We don't make the rules, but this will be required.
- We are limited to a specific maximum seating number of guests outside which is not a problem for us because of the wide-open space, lawns, terraces and pavilion.
- We're eliminating our dinner menus as you'll pre-order. For drinks, a one-time use paper cocktail menu will be on your table. Our wine list can be viewed online via our website with your own device. Of course your server can also make great recommendations!
- Your silverware will be pre rolled in linens and brought to your table once seated along with water glasses and any requested condiments personalized for your table only.
- Bathrooms will be available inside. Single use only, please maintain social distancing when waiting for the bathroom to become vacant. Please wear your mask at all times when leaving your table to use the bathroom. Strolling the gardens and property is prohibited at this time without wearing your mask and drinks cannot leave the table.
- Time at your table will be limited so we may sanitize properly between reservations. 2 guests will have 2 hours. 3-6 guests will have 2.5 hours and 7-10 guests will have 3 hours.
- There are strict guidelines for multiple reservations waiting together or congregating in public areas so please do your best to be on time for your reservation. If you arrive late or see another party waiting to be seated please observe social distancing signage and floor markings until a host can seat you.
